

Application No. 10/733,880

PATENT  
Docket No. 58013-027100

REMARKS

Applicants would like to thank Examiner for the interviews on January 10, 2006 and February 7, 2006. On January 10, 2006, the Examiner indicated that the record would be corrected to indicate that Claim 15 was allowed and not objected to. On February 7, 2006, the Examiner indicated that the claims could be amended to correct the antecedent basis for the term "light source."

Claims 2, 14, and 21 have been amended to correct the claim language and give the term "light source" proper antecedent basis. Applicants believe claims are now in condition for allowance.

Applicants submit that the present application is in condition for allowance. Should matters remain, which the Examiner believes could be resolved in a telephone interview, the Examiner is requested to telephone the Applicants' undersigned agent at (310) 586-6565.

The Director is authorized to charge any additional fee(s) or any underpayment of fee(s), or to credit any overpayments to Deposit Account Number 50-2638. Please ensure that Attorney Docket Number 58013-027100 is referred to when charging any payments or credits for this case.

Respectfully submitted,

Date: February 7, 2006
